Willa Diamond Housing Estate

LUCYNA MAZUR
President
of Arthouse,
the author
of the
project's
concept

Willa Diamond is an estate of semi-detached and terrace houses built close to Kabacki Forest. The buildings, situated at broad estate streets, have modern architectural forms. The project is implemented by an experienced developer, Arche. The concept of the investment project has been prepared by Arthouse in cooperation with the Maas architectural studio. The construction works started in the 1st quarter of 2007.
